- 5.7. Taxes. Contractor's fees are exclusive of all taxes, levies, or duties imposed by taxing authorities, and Customer will pay to Contractor, all federal, state and local sales and use taxes, ad valorem taxes, value added taxes, tariffs and duties associated solely with Fees due from Customer related to Customer's use of the Services as documented in any Orders under this Agreement. - 6.4. Remedies. If Customer becomes aware of a material deficiency in Contractor's and/or any Contractor's Resources' security practices, which constitutes a Material Breach of the security requirements of this Agreement, Customer may, (a) immediately terminate this Agreement and any and all Orders without liability for any early termination fees and/or liquidated damages, or (b) give Contractor a cure period to remedy such deficiency to Customer's reasonable satisfaction.
- 6.5. Artificial Intelligence. If Contractor is providing an AI Solution (as defined in **Exhibit E**), Contractor will comply with **Exhibit E (Artificial Intelligence Exhibit)**.
- 6.6. Information Security. Without limiting any of Contractor's obligations under this section 6, Contractor will comply with **Exhibit F (Information Security Exhibit)**.

9. Limitation of Liability and Exceptions.

- 9.1. EXCEPT FOR DAMAGES AND LOSSES ARISING OUT OF: (A) A PARTY'S OBLIGATIONS OF INDEMNIFICATION, (B) DAMAGES CAUSED BY A PARTY'S FRAUD, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, (C) DAMAGE TO REAL AND/OR PERSONAL PROPERTY, INCLUDING BODILY INJURY (AND DEATH), OR (D) A PARTY'S BREACH OF ITS OBLIGATIONS OF CONFIDENTIALITY, DATA PROTECTION, INFORMATION SECURITY, OR ITS OBLIGATIONS IN RESPECT OF ARTIFICIAL INTELLIGENCE (THE "**EXCEPTIONS**"), IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, PUNITIVE, EXEMPLARY OR INCIDENTAL DAMAGES OF ANY KIND, HOWEVER CAUSED, ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE SERVICES TO BE PROVIDED UNDER THIS AGREEMENT, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF THOSE DAMAGES.
- 9.2. EXCEPT FOR DAMAGES AND LOSSES ARISING FROM THE EXCEPTIONS IN SECTION 9.1 ABOVE, EACH PARTY'S MAXIMUM LIABILITY FOR DAMAGES AND LOSSES ARISING UNDER THIS AGREEMENT SHALL NOT EXCEED ONE AND ONE-HALF TIMES THE FEES PAID OR PAYABLE UNDER THIS AGREEMENT. THE FOREGOING LIMITATIONS OF LIABILITY SHALL REMAIN IN FULL FORCE AND EFFECT REGARDLESS OF WHETHER EITHER PARTY'S REMEDIES HEREUNDER ARE DETERMINED TO HAVE FAILED OF THEIR ESSENTIAL PURPOSE AND REGARDLESS OF THE LEGAL THEORY OF LIABILITY, WHETHER UNDER CONTRACT, TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY), OR ANY OTHER THEORY WHATSOEVER.

10. Indemnification.

- 10.1. Contractor General Indemnity. Contractor, as "**Indemnitor**," agrees to indemnify, defend, and hold Customer, its Affiliates and their respective employees, directors, agents, successors and permitted assigns (each, a "**Customer Indemnitee**" and collectively, the "**Customer Indemnitees**") harmless from and against any and all liabilities, damages, losses, expenses, fines, penalties, and/or judgments, including reasonable attorneys' fees, costs, and expenses incidental thereto ("**Losses**"), which may be suffered by, accrued against, charged to, or recoverable from any Customer Indemnitee, by reason of any third party demand, proceeding (including proceedings under the U.S. Bankruptcy Code), action, regulatory action, lawsuit, and/or claim (collectively, "**Claim(s)**") to the extent arising out of or relating to any negligent act, error or omission, or willful misconduct of Contractor or its Contractor Resources, during the performance of this Agreement and any Orders, and/or any Claims arising out of or relating to: (a) bodily injury (including death) or damage to personal or real property, (b) violation of any applicable law, (c) Malicious Code, or (d) material breaches of any representations, warranties or covenants made under this Agreement, including, without limitation, breach of any confidentiality, data protection, or information security obligation or any obligation in respect of artificial intelligence.
- 10.2. Contractor Intellectual Property Right Indemnification. Contractor, as "**Indemnitor**," agrees to indemnify, defend, and hold the Customer Indemnitees harmless from and against any and all third party Claims and Losses which may be suffered by, accrued against, charged to, or recoverable from any Customer Indemnitee, arising out of a third party Claim that the Subscription Service infringes or misappropriates any patent, copyright, trade secret, trademark, or other Intellectual Property Right. In the event that Contractor is enjoined or Contractor reasonably believes that the Subscription Service is likely to become the subject of such a Claim, then Contractor shall, at its expense: (a) obtain for Customer the right to continue using such Subscription Service, (b) replace or modify the Subscription Service so that it does not infringe upon or misappropriate such Intellectual Property Right and is free to be delivered to and used by Customer with substantially similar functionality and performance, or (c) in the event that Contractor is unable or determines, in its reasonable judgment, that it is commercially

unreasonable to do either of the aforementioned, Contractor shall terminate the affected Orders and promptly reimburse to Customer any prepaid Fees for which Subscription Service have not been rendered or provided.

- 10.3. Customer Indemnity. Customer, as “**Indemnitor**,” agrees to indemnify, defend and hold Contractor, its Affiliates and their respective employees, directors, agents, successors and permitted assigns (each, a “**Contractor Indemnitee**” and collectively, the “**Contractor Indemnitees**”) harmless from and against any and all third party Claims to the extent (a) alleging that the Customer Data as provided by Customer or any trademarks or service marks other than Contractor’s intellectual property, or any use thereof in accordance with this Agreement, infringes the Intellectual Property Rights of a third party, or has caused harm to a third party, or (b) arising out of Customer’s breach of applicable law and shall hold Contractor harmless from and against liability for any Losses to the extent based upon such Claims.
- 10.4. Indemnification Procedures. The foregoing indemnifications obligations are conditioned upon prompt receipt by an Indemnitor of a threat of any Claim, or a notice of the commencement, or filing of any Claim against any Indemnitee. Customer or Contractor, as applicable, shall give notice thereof to the applicable Indemnitor; provided, however, that failure to give or delay in giving such notice to the Indemnitor shall not relieve the Indemnitor of any liability it may have to the Indemnitee except to the extent that the Indemnitor demonstrates that the defense of such Claim is prejudiced thereby. The Indemnitees shall not independently defend or respond to any such Claim; provided, however, that: (a) the Indemnitees may defend or respond to any such Claim, at the Indemnitor’s expense, if the Indemnitees’ legal counsel determines, in its sole discretion, that such defense or response is necessary to preclude a default judgment from being entered against the Indemnitees, and (b) the Indemnitees shall have the right, at their own expense, to monitor the Indemnitor’s defense of any such Claim. The Indemnitor shall have sole control of the defense and of all negotiations for settlement of such Claim. At the Indemnitor’s request, the Indemnitees shall cooperate with the Indemnitor in defending or settling any such action; provided, however, that the Indemnitor shall reimburse the Indemnitees for all reasonable out-of-pocket costs incurred by the Indemnitees (including, without limitation, reasonable attorneys’ fees and expenses) in providing such cooperation and the indemnitor may not settle any Claim without the Indemnitees’ prior written consent unless such settlement include a complete and final release of liability and Losses against all Indemnitees and does not impose any obligations on any Indemnitees.

11. Insurance.

- 11.1. Insurance Requirements. Without limiting Contractor’s obligation to indemnify Customer or any other obligations under this Agreement, Contractor shall, at its own cost and expense, procure and maintain in full force and effect during the Term of any Orders under this Agreement and for the statutory period for which Contractor may be liable for defects or other liabilities arising out of its Services, policies of insurance, of the types and in the minimum amounts stated herein, with responsible insurance carriers which are S&P A rated or higher, duly qualified in those states (locations) where the Services are to be rendered, covering the operations of Contractor, pursuant to this Agreement. All policies except workers’ compensation will include a waiver of subrogation in favor of Customer and its Affiliates, officers, directors and employees. In addition, Contractor warrants that its subcontractors shall either be covered by Contractor’s insurance policies or shall ensure that each of its subcontractors shall procure and maintain in effect at all times during this period of time, insurance policies complying with this insurance Section with at least the limits of insurance required by Customer under its standard insurance policy requirements as provided by Customer to Contractor from time to time during the term of this Agreement. The limits specified below may be achieved through a combination of primary and umbrella policies. Contractor is responsible for and shall pay all deductible payments and self-insured retentions that are applicable to Contractor’s insurance policies. Each policy shall be written on an occurrence form (excepting Errors & Omissions “**E&O**”).
- 11.2. Certificates of Insurance. Upon execution of this Agreement, Contractor will provide Customer with certificates of insurance evidencing all of the above coverage, including all special requirements specifically noted above, and will provide Customer with certificates of insurance

evidencing renewal or substitution of such insurance thirty (30) days prior to the effective date of such renewal or substitution, together with thirty (30) days' prior written notice of cancellation or material modification to the policies.

- 11.3. Copies of Policies. Contractor will, upon request, provide Customer with copies of any insurance policies required to be maintained by Contractor.
 - 11.4. Professional Liability (Errors & Omissions) Insurance. Contractor's E&O insurance will include coverage for all errors, omissions or negligent acts in the delivery of Subscription Service contemplated under this Agreement.
 - 11.5. Network Liability Insurance. Contractor's Network Liability Insurance will include coverage for Contractor's liability associated with (a) unauthorized use, access, or disclosure of confidential or private information, transmission of a computer virus, or denial of service that results from a failure of security; (b) identity theft; (c) cyber extortion; and (d) cyber terrorism.
 - 11.6. Additional Insureds. Contractor's Commercial General Liability, Business Automobile Liability and Excess Liability insurance policies shall name Customer and its Affiliates as additional insureds via endorsement with respect to the negligence of the Contractor, its subsidiary and affiliated companies, directors, officers, subcontractors of each and every tier, employees, and agents. The policies shall also be primary without right of contribution from any insurance by Customer. The Errors and Omission Insurance and Network Liability Insurance coverages shall be maintained until the termination of this Agreement, and thereafter Contractor will maintain an active policy, or purchase an extended reporting period providing for Claims first made and reported to the insurance company within two (2) years after final payment for the Subscription Service.
12. **Contractor Resources and Access to Premises.** Whenever Contractor's Resources perform Professional Services and provide Deliverables at any location owned or controlled by Customer (the "**Premises**"), Customer will provide adequate and safe office space at, and will arrange for those Contractor Resources to receive temporary access to, those Premises, subject at all times to those Contractor Resources' compliance with Customer's reasonable safety and security guidelines that are applicable to the Premises and that have been provided to Contractor before entering the Premises, as the same may be amended from time to time. At Customer's request, Contractor Resources will attend one or more training sessions with respect to on-site rules of behavior, work schedule, security procedures and such other policies and procedures as Customer, in its sole discretion, may deem appropriate. If Contractor has to replace any of its Contractor Resources before completion of a Project under a T&E Work Order for any reason, Contractor will, at no cost to Customer, ensure an effective transition so that each replacement has a thorough knowledge of the purpose, status, issues and requirements of the Project before Contractor begins charging for the services of that replacement. If a Contractor Resource ceases to perform due to illness, resignation or any other reason, Contractor will promptly provide a substantially equivalent replacement. Contractor shall be responsible for the acts and omissions of all Contractor Resources in connection with this Agreement.
13. **Miscellaneous Provisions.**
- 13.1. Relationship between Customer and Contractor. Contractor represents and warrants that it is an independent contractor with no authority to contract for Customer or in any way to bind or to commit Customer to any agreement of any kind or to assume any liabilities of any nature in the name of or on behalf of Customer. Under no circumstances shall Contractor hold itself out as or be considered an agent, employee, joint venture, or partner of Customer, and Customer shall have no duty to provide or maintain any insurance or other employee benefits on behalf of Contractor or its employees. No other document, agreement, circumstance or understanding shall be construed to entitle Contractor or Contractor's employees to any insurance or benefits of any kind from Customer.
 - 13.2. Governing Law; Jurisdiction and Venue. This Agreement will be interpreted under, and any disputes arising out of this Agreement will be governed by, the laws of the State of Georgia, without reference to its conflicts of law principles. **The United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information**

Transactions Act will not apply to the interpretation or enforcement of this Agreement. Each Party irrevocably consents to the jurisdiction of the state and federal courts located in the State of Georgia, USA, in connection with all actions arising out of or in connection with this Agreement, and waives any objections that venue is an inconvenient forum. Each Party further agrees that it will not initiate any action against the other Party in any other jurisdiction. Each Party agrees that a final judgment in any such action or proceeding will be conclusive and may be enforced in any other jurisdiction (including the appropriate courts of the jurisdiction in which the other Party is a resident or in which any property or an office of such Party is located) by suit on the judgment or in any other manner provided by law.

- 13.3. Force Majeure. Neither Party shall be liable for delays or any failure to perform the Services due to causes beyond its reasonable control (a **"Force Majeure Event"**); provided, however, that a Force Majeure Event shall expressly exclude any failure of Contractor to comply with its Resilience Obligations set forth in Section 2.12. Such Force Majeure Events include, but are not limited to, acts of God, terrorism, fire, explosion, flood or other natural catastrophe, acts, orders, or regulation, strikes or labor difficulties, or acts of terrorism, in each case to the extent not occasioned by the fault or negligence of the delayed Party. Any such excuse for delay shall last only as long as the event remains beyond the reasonable control of the delayed Party. However, the delayed Party shall use its best efforts to minimize the delays caused by any such event beyond its reasonable control. The delayed Party must notify the other Party promptly upon the occurrence of any such Force Majeure Event, or performance by the delayed Party will not be considered excused pursuant to this Section, and inform the other Party of its plans to resume performance. A Force Majeure Event does not excuse Contractor from fulfilling its responsibilities relating to the requirements of backup and recovery of Customer Data.
- 13.4. Publicity Restrictions. Except as otherwise expressly permitted under this Agreement, neither Party may, without the prior written consent of an officer of the other Party, which consent may be withheld in such officer's sole discretion: (a) use the other Party's or any of its Affiliates' names or any trademarks, service marks, logos or copyright protected works (whether or not registered) in any of a Party's promotional materials, marketing activities or elsewhere; (b) identify the other Party or any of its Affiliates on a Party's customer lists or websites (or on any other person's website that identifies such Party or in any metatags or key words for those websites; or (c) include a hyperlink from any website maintained by a Party to any website of the other Party or its Affiliates.
- 13.5. No Waiver. The failure of either Party at any time to require performance by the other Party of any provision of this Agreement shall in no way affect that Party's right to enforce such provisions, nor shall the waiver by either Party of any breach of any provision of this Agreement be taken or held to be a waiver of any further breach of the same provision. Any waiver must be express and in writing.
- 13.6. Notices. Any notice given pursuant to this Agreement shall be in writing and shall be given by personal service, via nationally recognized overnight courier or by United States certified mail, return receipt requested, postage prepaid to the addresses appearing below, or as changed through written notice to the other Party. Notice given by personal service or overnight delivery shall be deemed effective on the date it is delivered to the addressee, and notice mailed shall be deemed effective on the fourth Business Day following its placement in the mail addressed to the addressee at the address provided in the preamble to this Agreement.
- 13.7. Assignment of Agreement. A Party (**"Assigning Party"**) may, upon prior written notice to the other Party (**"Non-assigning Party"**) and at no additional charge to Assigning Party, assign this Agreement to an Affiliate (only if (a) the Affiliate agrees in writing to be bound by the terms of this Agreement and (b) the Assigning Party remains liable for its obligations under this Agreement), or any entity that acquires all or substantially all of the Assigning Party's assets or capital stock or results from one or more mergers or initial public offerings or any other corporate reorganization. Except as expressly permitted herein, and in Section 2.13 (Subcontractors), neither Party will assign any right or delegate any duty under this Agreement, without the consent of an authorized representative of the other Party, which consent will not be unreasonably

withheld, conditioned or delayed. This Agreement shall be binding on the Parties and their successors and permitted assigns.

- 13.8. Counterparts; Facsimile. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement. The Parties agree that a facsimile or other electronic signature may substitute for and have the same legal effect as the original signature.
- 13.9. Electronic Signature. Customer may make available a digital solution to streamline follow-on contracting related to this Agreement (a “**Digital Transaction Platform**”). Notwithstanding anything to the contrary in this Agreement, any follow-on contracting to this Agreement, including without limitation work orders, statements of work, other ordering document, change orders, amendments, local country agreements, addendums, and the like, that is transacted via the Digital Transaction Platform and approved by both Parties via a digital approval mechanism of the Digital Transaction Platform shall be deemed to be in writing, acceptable and binding for purposes of this Agreement. Electronic approvals submitted to the Digital Transaction Platform by a Party (such as clicking on an acceptance button or checkbox) shall be deemed to constitute the electronic signature of that Party’s authorized representative. By way of example, and without limitation, the Parties may use the Digital Transaction Platform to (i) amend the Agreement to establish standardized terms and conditions that shall be applicable to specified categories of products or services that may be procured under Orders (“**Default Work Order Terms**”), or (ii) enter into simplified electronic orders for products or services that are deemed for all purposes to constitute ordering documentation under the Agreement and are deemed to include such Default Work Order Terms.
- 13.10. Entire Agreement and Amendments. This Agreement including its attached exhibits and/or referenced attachments or agreements and all confidentiality agreements between the Parties in effect as of the Effective Date (collectively, the “**Non-Disclosure Agreement**”), constitute the entire agreement between the Parties and supersede any and all previous representations, understandings, or agreements between the Parties as to the subject matter hereof. This Agreement may only be amended by an instrument in writing signed by authorized representatives of the Parties.
- 13.11. Cumulative Remedies. All rights and remedies of a Party herein shall be in addition to all other rights and remedies available at law or in equity, including, without limitation, specific performance for the enforcement of this Agreement, and temporary and permanent injunctive relief.
- 13.12. Rules of Construction. The Parties agree that this Agreement is the product of negotiation and that neither Party will be deemed to be the drafter thereof. In this Agreement headings are inserted for convenience only and shall not affect the meaning of the text and references to the singular include the plural and vice versa.
- 13.13. Survival. This Section 13, together with the confidentiality, data protection, artificial intelligence, indemnity, limitation of liability and each other provision of this Agreement that by its nature extends beyond the expiration or earlier termination of this Agreement, will survive and continue in full force and effect after this Agreement expires or is earlier terminated. For purposes of clarity, the terms and conditions of the Non-Disclosure Agreement in Section 6.1 will remain in full force and effect during the term of this Agreement notwithstanding any termination provisions in the Non-Disclosure Agreement. In the event of a conflict between the terms and conditions of the Non-Disclosure Agreement and this Agreement, the terms and conditions of this Agreement will control and prevail.
- 13.14. Conflicts. In the event of any conflict or inconsistency in the definition or interpretation of any term or provision set forth in this Agreement, an Exhibit and an Order, such conflict or inconsistency shall be resolved by giving precedence to this Agreement, unless and to the extent the Order or Exhibit expressly states that a particular term or condition provided therein takes precedence over any contrary provision in this Agreement.
- 13.15. Severability. If any court, arbitrator, or arbitration panel finds any provision of this Agreement to be invalid or otherwise unenforceable, that provision will be void to the extent it is contrary to

applicable law. However, that finding will not affect the validity of any other provision of this Agreement, and the rest of this Agreement will remain in full force and effect unless enforcement of this Agreement without the invalidated provision would be grossly inequitable under all of the circumstances or would frustrate the primary purposes of this Agreement. Alternatively, if a court, arbitrator, or arbitration panel determines that any provision of this Agreement is not enforceable as expressly written, it is the intention of the Parties that those provisions be modified by the court, arbitrator, or arbitration panel only as is necessary for them to be enforceable.

- 13.16. Digital Accessibility. Contractor will comply, and will ensure that all products and services provided by Contractor under this Agreement comply, with the requirements of **Exhibit G (Digital Accessibility)**.

This Agreement is executed by the undersigned duly authorized representatives of the Parties effective as of the Agreement Effective Date.

- 1.7 “**Scheduled Availability**” means 7 days per week, 24 hours per day, in minutes, less Scheduled Maintenance and Force Majeure Events.
- 1.8 “**Scheduled Maintenance**” means time (in minutes) that the Subscription Service is not available to Customer due to the planned service outages during which Contractor may perform network upgrades and infrastructure changes, including those to improve the availability, security and performance of service. Any Scheduled Maintenance (a) for which Contractor failed to provide notice as required hereunder or (b) that occurs outside of the Scheduled Maintenance Hours as set forth in Section 3.2 below shall constitute Unscheduled Downtime.
- 1.9 “**Service Levels**” means any of the Availability Guarantee, the Response Time Guarantee, the Time to Restore Guarantee and/or the Resolution Time Guarantee.
- 1.10 “**Severity Level**” means the classification of an Error based on the definitions set forth in Table 1.

- 1.15 “**Unscheduled Downtime**” means the time (in minutes) that Customer is unable to access the Subscription Service, provided that Customer has submitted a support ticket alerting Contractor

of such failure. Unscheduled Downtime excludes Scheduled Maintenance and issues arising out of a Force Majeure Event.

2. **Subscription Service Availability Service Level.** Contractor will provide 99.99% Actual Availability for each one-calendar-month period during the Term of the applicable Subscription Service Order (“**Availability Guarantee**”), as measured and monitored by Contractor. Actual Availability will be calculated on a monthly basis using the following formula:

$$[(X - Y) / X] * 100 = \%$$

Where: X = Scheduled Availability

And Y = Unscheduled Downtime

3. **Scheduled Maintenance.**

3.1 **Scheduled Maintenance Notice.** Contractor shall provide Customer with at least seventy-two (72) hours advance written notice of any Scheduled Maintenance. Contractor will provide such notices to Customer via its support portal. Notwithstanding the foregoing, should Customer contact Contractor, email permissible, requesting that Contractor delay such Scheduled Maintenance for at least forty-eight (48) hours, Contractor shall delay such Scheduled Maintenance for such period. Customer may request delays of such Scheduled Maintenance not more than once in a calendar month.

3.2 **Scheduled Maintenance Hours.** Contractor will use commercially reasonable efforts to schedule Scheduled Maintenance during the hours between 10:00 P.M. and 6:00 A.M. (Local Time of the applicable Amazon Web Services region).

3.3 **Limit on Scheduled Maintenance.** Scheduled Maintenance shall not exceed four (4) cumulative hours in any calendar month.

4. **Support Services.** Contractor shall provide Support Services in accordance with the terms of this Exhibit. Support Services shall include:

4.1 **Time and Method.**

4.1.2 **All other Severity Levels.** 6:00 A.M. to 6:00 P.M. (Pacific Standard Time) Monday-Friday (excluding the following US holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Day After Thanksgiving, Christmas Eve, Christmas Day) online support for all other technical issues relating to the use of the Subscription Service (including Errors or problems and assistance understanding specific features).

- 4.2 **Severity Level Definitions.** Customer, at the time it reports an Error to Contractor, shall in good faith designate the Severity Level for such Error, using the definitions set forth in Table 1. Contractor may modify the designation of such incident; provided that Contractor shall notify Customer before modifying the designation. For issues where root cause includes issues outside the Contractor system, the resolution times shall not apply to that specific issue.

Table 1 – Severity Level Definitions

Severity Level	Definition
1	An Error that renders the Subscription Service completely inoperative with no alternative available, provided that Customer has submitted a support ticket alerting Contractor of such failure.

Severity Level	Definition
2	An Error that has a high impact on key portions of the Subscription Service, with no alternative available queries are running in a manner such that they are adversely impacted while operating in a production environment, provided that Customer has submitted a support ticket alerting Contractor of such failure.
3	An Error that constitutes a change in behavior in the Subscription Service where urgency and impact is medium, with some business impact on Subscription Service in a production environment, resulting in some functionality loss on Customer's use of the Subscription Service. The Subscription Service is usable but does not provide a function in the most convenient or expeditious manner.
4	An Error in the Subscription Service where urgency and impact is low, with little or no impact on the quality, performance or functionality of Customer's use of the Subscription Service.

- 4.3 Response and Resolution Times.** Contractor shall use commercially reasonable efforts to comply with the Support Standards set forth in Table 2 below for the corresponding Severity Level. Response time shall be measured from the moment an Error is reported to Contractor by Customer and Contractor's acknowledgement of the Error. Time to Restore Time and Resolution Times each shall be measured from the moment an Error is reported to Contractor by Customer and Contractor delivers the Time to Restore or Resolution, as the case may be, to Customer.

Table 2 – Support Standards

Severity Level	Response Time	Time to Restore Time or "Workaround"	Resolution Time	Updates
SL1	15 minutes	1 hours	2 hours	Hourly unless Customer agrees to less frequent Updates
SL2	15 minutes	2 hours	4 hours	Hourly unless Customer agrees to less frequent Updates
SL3	4 business hours	1 week	N/A	Weekly
SL4	1 Business Day	N/A	N/A	In response to Customer's request

- 4.4 Support Service Levels. Service Level Credits for Failure to Meet Response Time, Time to Restore and/or Resolution Time Guarantees.**

- 4.4.1 Credits for Failure to Achieve Response Time, Time to Restore and/or Resolution Time Guarantees.** If Contractor in any given calendar month during the Term fails to achieve the Response Time, Time to Restore and/or Resolution Time Guarantees as

set forth in Table 2, Contractor will provide Customer with a credit (the “**Guarantee Credit**”). The Guarantee Credit shall be calculated as set forth in the table below:

Number of Incidents in a Calendar Month in which Contractor Failed to Meet Response Time, Time to Restore and/or Resolution Time Guarantees	Guarantee Credit
0-2	0%
3-6	10%
6-8	15%
9-11	25%
More than 12	50%

The Guarantee Credits shall be calculated and paid to Customer by Contractor for the number of incidents in each calendar month, within thirty (30) days of the end of the applicable calendar quarter, pro-rated if applicable for the first or last calendar quarter under the applicable Subscription Service Order. Guarantee Credits shall be based upon the average Monthly Fees calculated by taking the applicable Subscription Service Order Fees dividing this sum by twelve (12) and then determining the monthly average based upon the monthly consumption for the prior three (3) calendar months.

- 4.5 Escalation.** If, in Customer’s good faith determination, a SL1 or SL2 Error is not progressing toward resolution within the timeframes above, then at Customer’s request, Contractor will escalate the Error (and provide notice of such escalation to Customer) within its management structure as follows:

Severity	Resolution Time
Team Lead Support Center	2 hours after incident reported
Director of the Support Center	4 hours after incident reported
Vice President of Engineering	5 hours after incident reported

5. Service Level Credits for Failure to Achieve Availability Guarantee.

- 5.1 Credits for Failure to Achieve Availability Guarantee.** If Contractor in any given calendar month during the Term fails to achieve the Availability Guarantee, Contractor will provide Customer with a credit (the “**Availability Credit**”). The Availability Credit shall be calculated as follows:

$$X * Y$$

Where:

X = the Monthly Fee; and

Y = the percentage corresponding with the Actual Availability for the Failure Period as set forth in the table below.

Actual Availability	Credit
Under 99.99% but greater than or equal to 99.0%	5%

Under 99.0% but greater than or equal to 97.99%	10%
Under 97.99% but greater than or equal to 96.00%	25%
Below 95.99%	100%

SLA Credits for Availability Service Levels shall be calculated and credited or paid to Customer by Contractor for each calendar month in which the Availability Guarantee was not met, within thirty (30) days of the end of the applicable calendar quarter, pro-rated if applicable for the first or last calendar quarter under the applicable Subscription Service Order. Availability Service Level credits shall be based upon the average Monthly Fees calculated by taking the applicable Subscription Service Order Fees dividing this sum by twelve (12) and then determining the monthly average based upon the monthly consumption for the prior three (3) calendar months.

Termination Rights. Customer may terminate the Agreement, and/or the applicable Order, for any Repeated Severe Issues as detailed in Section 3.2.2 of the Agreement (Termination of Agreement and Orders for Material Breach). In such instances, Customer shall, as its sole and exclusive remedy, receive a refund of any pre-paid and unused fees for which Services were not rendered after the effective date of termination, together with any unpaid credits, in either case within thirty (30) days following termination.

6. **Service Level Credit Procedures.** Service Level Credits under Sections 4.4.1 and 5.1 above shall be cumulative. If the Subscription Service does not meet the Service Level in a given month, as measured over a calendar quarter based upon the prior three (3) months, Customer will receive a Service Level Credit as described herein provided that Customer made a request for a Service Level Credit within twenty-one (21) days after the end of the prior calendar month in which the failure occurred. Contractor shall apply any SLA Credit to Fees due on the next invoice; provided, however, if Contractor will not submit any further invoices to Customer, Contractor will pay such Guarantee Credits and SLA Credits to Customer within thirty (30) days following the effective date of termination. For purposes of clarity, as detailed in Section 4.2 of the Agreement (Failure to Meet Service Levels), within ten (10) days following Customer's request, which may occur via email, Contractor shall provide Customer with a report in a form reasonably requested by Customer detailing Contractor's performance with respect to each Service Level during the previous month and explain deviations from the Service Levels, if any, including a summary of performance issues encountered, a description of Contractor's response thereto, and a description of the status of the issue as of the last day of the month in question. Detailed supporting information for each report shall be provided to Customer in soft copy as reasonably requested by Customer.
